56 Edward Drive Glendower,  
Edenvale, 1609, South Africa

## ABOUT ME

I am a tech enthusiast with a strong passion for learning and exploring new technologies. My studies in information technology have given me a solid foundation, and I am eager to develop my skills and knowledge further. I have set clear goals for myself and am determined to achieve them, including building a successful career in IT. I enjoy solving problems and taking on new challenges, and I stay updated with the latest tech trends to continuously grow and expand my expertise. I am particularly interested in exploring opportunities in security, software development, and data analytics.
